EXECUTIVE DIRECTOR ANNOUNCEMENT

We are thrilled to announce a significant milestone in the evolution of our organization as we embrace a new name and brand. Effective immediately, Community Living Campbellford Brighton will be known as "**Inclusion Northumberland.**" This change reflects our commitment to better represent the diverse communities we serve within Northumberland County and the surrounding area.

The decision to rebrand was driven by the recognition that our previous name, Community Living Campbellford/Brighton, did not accurately reflect the breadth of our service area. As an organization dedicated to advocating for the rights and well-being of people with developmental disabilities, it is essential that our name aligns with the communities we serve.

In making this transition, we also draw inspiration from recent changes within the sector. The Canadian Association for Community Living, a national organization with which we have aligned ourselves, has rebranded as Inclusion Canada. This shift reflects a broader movement toward emphasizing inclusion as a guiding principle in the work we collectively undertake. By aligning ourselves with this national trend, we signal our dedication to inclusivity and our commitment to staying at the forefront of best practices in the field.

While the name may be changing, our fundamental values, dedication to excellence, and our unwavering commitment to service recipients and community remain intact. We will continue to provide the same exceptional services and support that have defined our organization throughout its history.

We extend our sincere gratitude for your continued support and partnership as we embark on this exciting journey as Inclusion Northumberland. We invite you to join us in shaping a future where inclusion is the norm and every person has the opportunity to thrive. Together, we will break down barriers, promote understanding and acceptance, and create a community that embraces diversity in all its forms.

Thank you for your continued support and commitment.

Dawn Lee,
Executive Director,
Inclusion Northumberland
